

# UNITY DAY OF ACTION

we are the 99% . . . and so are you

## march for you, march with you

*How do **you** want to tell your story?*

Economic, political, and social injustice effects us all in different ways. On December 3rd, you decide what tell the world, and how you want to do it. From 10am to 1pm, march, canvass, play music, organize flash mobs, or do anything else. Plan your action or join an existing one, and get involved! Then join us for a rally at Copley Square at 1pm.
