Phone: (617) 971-8753

Locations of trainings will be confirmed when you sign up!

Trainings are part of a community capacity building effort in the Boston area inspired by the Occupy movement and will be facilitated by trainers from the New England Trainers Network, Alliance of Community Trainers and the Health Justice Working Group of Occupy Boston. The aim is to build the skill sets and confidence of community groups and activists in doing NVDA.

Trainings are **FREE** and open to all in the community working for social and economic justice.
