**d. Thoughts**

- i. Mic checking community meetings?
  - 1. Pro: Good for movement building, could be done at the end of meetings
  - 2. Con: We should try to work with people, not be disruptive during the one time they **do** have to address MBTA officials – especially since many of those folks will already be on our side
- ii. Outreach to other Occupations (regarding MBTA cuts)
  - 1. Quincy, Hyannis, Providence – all will be affected by this
- iii. Direct Actions
  - 1. Try not to upset MBTA workers and riders, we want them on our side

**e. Actions to be taken**

- a. Would like to have a combined meeting of WGs
- b. Perhaps should be expanded into a full action summit, with break out groups
  - i. SEIU 615 would have a space for this? Possibly find somewhere that lends itself to a good security culture
- c. **In general, Street needs a more consistent location for meetings**
  - i. SEIU might work, once again

**6) April 30<sup>th</sup> or March 30<sup>th</sup> action?**

- a. Discussion about having an action on April 30<sup>th</sup>, leading up to the May Day actions, or on March 30<sup>th</sup>, on the 6 mos. Anniversary of Occupy Boston, against **the banks**
