C. (U) PROTESTORS TEMPORARILY SHUT DOWN PORT OF OAKLAND, CA. THOUSANDS OF PROTESTORS FLOODED DOWNTOWN OAKLAND, CA, ON 2 NOVEMBER 2011 TO PARTICIPATE IN A GENERAL STRIKE CALLED BY THE OCCUPY OAKLAND MOVEMENT TO PROTEST ECONOMIC INEQUALITY AND CORPORATE GREED. THE PROTESTORS MARCHED IN FORCE TO THE PORT OF OAKLAND, THE NATION'S FIFTH-BUSIEST SHIPPING PORT, WITH THE INTENTION OF DISRUPTING PORT OPERATIONS. POLICE ESTIMATED NEARLY 7,000 PEOPLE CLOGGED THE MAIN PORT ENTRANCE ON MIDDLE HARBOR ROAD AND AT SEVEN OTHER GATES, CHANTING SLOGANS AND HALTING ALL TRUCK TRAFFIC IN AND OUT OF THE PORT. RUMORS HAD SPREAD THROUGHOUT THE CROWD THAT MANY PORT WORKERS FAILED TO ARRIVE FOR THEIR MORNING SHIFTS.

(U) ABOUT 40 OUT OF 325 PORT WORKERS DID NOT REPORT FOR THE DAY SHIFT ON 2 NOVEMBER, ACCORDING TO THE UNION REPRESENTING THE PORT WORKERS, WHICH DID NOT AUTHORIZE A STRIKE. PORT OFFICIALS STRESSED ~

PAGE 07 RUCOWCA0519 UNCLAS FSO
THAT ALL SEVEN MARITIME TERMINALS WERE CONDUCTING NORMAL OPERATIONS
DURING THE DAY, DOZENS OF PROTESTORS CLIMBED UP ON IDLED TRUCKS WAVING SIGNS AND YELLING SLOGANS. THE FEW POLICE WHO MONITORED THE
SITUATION KEPT A CONSIDERABLE DISTANCE. THE PORT OF OAKLAND SHUT DOWN AT 1815 WHEN THE PORT EXECUTIVE DIRECTOR DECIDED THE LARGE NUMBER OF PROTESTERS POSED A DANGER TO THE SEVERAL HUNDRED WORKERS
STILL INSIDE THE PORT. (SFGATE, 03 NOV 11), (NEW YORK TIMES, 03 NOV 11), OAKLAND TRIBUNE, 02 NOV 11).

(U//FOUO) ANALYST COMMENT: THE PROTESTORS, ACTIONS SHUT DOWN THE
PORT OF OAKLAND FOR MORE THAN 14 HOURS. IF THIS MOVEMENT WERE TO SPREAD TO THE PORT OF LONG BEACH, THE SECOND BUSIEST PORT IN THE UNITED STATES, THE DISRUPTION OF PORT OPERATIONS RESULTING IN CARGO
REACHING THEIR REQUIRED DESTINATIONS LATE COULD HAVE MUCH MORE
SERIOUS EFFECTS ON THE SUPPLY CHAIN NETWORK IN THE UNITED STATES.

2. (U//FOO/S) ON 02 NOV 11, OCCUPY OAKLAND, AN OFF-SHOOT OF THE OCCUPY WALL STREET MOVEMENT, CALLED FOR A GENERAL STRIKE AND FOR THE SHUTDOWN OF THE PORT OF OAKLAND. THIS WAS A RESPONSE TO THE POLICE

3. (U//FOUO) OCCUPY OAKLAND PLANNED TO LIBERATE OAKLAND THROUGH A GENERAL STRIKE AND MASS DAY OF ACTION ON 02 NOV 11. PEOPLE WERE ENCOURAGED NOT TO GO TO WORK AND TO GATHER IN THE STREETS OF DOWNTOWN OAKLAND. PEOPLE WERE ALSO ASKED TO JOIN IN ON MARCHES TO SHUT DOWN BIG BANKS; AS WELL AS IN RALLIES TO BUILD SUPPORT AND SOLIDARITY FOR THE OCCUPY WALL STREET MOVEMENT. THE FINAL PLANNED EVENT WAS TO SHUTDOWN THE PORT OF OAKLAND. OCCUPY OAKLAND MADE SEVERAL REFERENCES TO OAKLAND'S HISTORY OF CIVIL DISOBEDIENCE AND MANY OF THE POSTERS AND POSTINGS FOR THE GENERAL STRIKE AND A MASS DAY OF ACTION SPECIFICALLY MENTIONED THE LAST GENERAL STRIKE IN THE UNITED STATES, WHICH WAS HELD IN OAKLAND IN 1946.

OCCUPY OAKLAND SPOKESMEN MADE STATEMENTS DENOUNCING THIS VIOLENCE, CLAIMING THOSE WHO COMMITTED VIOLENT ACTS WERE NOT A PART OF OCCUPY OAKLAND OR THE OCCUPY WALL STREET MOVEMENT, AND RESTATED VIOLENCE WAS NOT THEIR INTENDED PURPOSE. (FOO) OCCUPY OAKLAND WAS SUCCESSFUL IN THE DISRUPTION, BUT NOT THE SHUTDOWN, OF THE PORT OF OAKLAND. THE

PROTESTERS DELAYED SOME SHIPPING TRAFFIC, WHILE OTHER SHIPPING TRAFFIC WAS ABLE TO DEPART AND ARRIVE ON TIME. THREE SHIPS WERE DELAYED IN THEIR DEPARTURE AND FOUR SHIPS WERE DELAYED IN THEIR ARRIVAL AND SENT TO ANCHORAGE TO AWAIT PIER SPACE. AS THE PROTESTERS BEGAN TO LEAVE FROM THE PORT OF OAKLAND TERMINALS, A LIMITED NUMBER OF LONGSHOREMEN AND TRUCKS WERE ABLE TO ENTER AND EXIT. THE MAIN
ENTRANCE TO THE PORT OF OAKLAND WAS THE LAST ENTRANCE TO REOPEN, BUT REOPENED SHORTLY AFTER 0700 LOCAL. THERE WERE NO PHYSICAL CLASHES BETWEEN THE PROTESTERS, THE LONGSHOREMEN, OR THE TRUCK DRIVERS. THE LONGSHOREMEN AND TRUCK DRIVERS WERE SYMPATHETIC TOWARDS THE OCCUPY WALL STREET MOVEMENT. THERE WERE NO SECURITY BREACHES AT ANY OF THE TERMINALS. OCCUPY OAKLAND HAD NO PLANS TO SHUT DOWN THE PORT OF OAKLAND AGAIN.

Title: CAMPUS LIAISON PROGRAM;
Liaison Matters

Synopsis: To document dissemination and claim appropriate statistical accomplishments.

Details: On 10/24/2011 writer disseminated two intelligence products from the Campus Liaison Program to sixteen (16) different campus police officials. The information described the animal rights extremist website NEGOTIATION IS OVER and the call therein for violent action against undergraduate and graduate students studying the life sciences.

SUNY-Oswego contacted writer to request information regarding the OCCUPY WALL STREET protests. [REDACTED] advised that a small group of OCCUPY WALL STREET protesters had established an encampment on the grounds of SUNY-Oswego. That group is primarily comprised of students, but also occasionally includes professors. The group has been camping in tents and demonstrating peacefully. [REDACTED] asked whether any other campuses were experiencing the same encampments, and wanted to know whether the FBI knew when these protests were scheduled to end. Writer contacted FBIHQ CLI IA_________ to pass along the request for information. [REDACTED] has a scheduled meeting with the OCCUPY WALL STREET protesters on Thursday, October 27, 2011. Writer advised [REDACTED] that no further information was currently available regarding OCCUPY WALL STREET and there were no visible trends of such activities on college campuses.
also advised that another unrelated group appeared on campus, apparently trying to 'latch on' to the existing OCCUPY WALL STREET protesters. The unrelated group was from a religious/evangelistic group known as LIVING WATERS. They had an anti-abortion campaign entitled "180" and demonstrated on campus. Members of the LIVING WATERS protest group were not cooperative with campus public safety officials and repeatedly disregarded the stated rules for protesting. Accordingly, because they were unruly and causing problems with the operation of the school, members of the LIVING WATERS protest were escorted off of the SUNY-Oswego property by public safety officers.

On 10/26/2011 writer disseminated the intelligence products to six (6) additional campus police officials.

Several campus law enforcement officials contacted writer to discuss the information and to arrange for later meetings.

3) Facebook printout concerning the Occupy the Port movement

Details: (U//FOUO) On 11/28/2011, SA and SA met with (liaison contact AN-180), Port of Anchorage, regarding his concerns for the Occupy Anchorage movement specifically the Occupy the Port movement scheduled for 12/12/2011.

Re:  11/28/2011

(U//FOUO) On 11/27/2011, [ ] received an email from [ ] regarding the Occupy the Port movement on 12/12/2011. [ ] wrote that he came across the following while perusing various internet sites and the below are excerpts from his email (the actual email and other documents provided by [ ] have been attached as enclosures to this EC):

"Occupy the Port: December 12th. Today our General Assembly approved a proposal to begin working on standing in solidarity with Occupy Oakland's call to shut down all ports on the west coast on December 12th, in response to the nationwide coordinated crackdown on the Occupy movement, and attacks on workers and worker's rights everywhere. We need to hit the 1% where it hurts: their wallets. The economy is run by the 99%, yet benefits mainly the 1%. We need to send a message: we are willing to risk our personal well-being for social justice, and the system ignores us at its own peril.

The Anchorage port is an especially powerful symbol of corrupt politics. Having spent billions of dollars on our port, former Governor Sheffield has been unable to deliver corresponding value, and yet we continue to pour money into what has become a black hole of corruption and incompetence."

(U//FOUO) [ ] main concern is the safety of the personnel at the Port and the amount of disruption a movement such as this one could have on the Port's daily operations. [ ] stated the movement being scheduled for the 12th is somewhat of a positive for the Port because the 12th is a Monday and it is between normal ship days which are Sunday and Tuesday. Therefore, the movement should have a minimal impact on the Port's operations.

(U//FOUO) [ ] previously consulted with the Anchorage Municipal Manager and obtained his approval to attend a meeting scheduled for 11/30/2011 to plan the Occupy the Port movement. [ ] stated he intended to go and be a fly on the wall and not disclose his affiliation with the Port, in hopes of identifying how significant of a threat this movement may be to the safety and operations at the Port.

(U//FOUO) [ ] asked the agents if they thought it would be okay for him to attend this meeting. [ ] was informed that as long as he felt comfortable and there was no threat of harm to him, the agents did not see any concerns with

him attending. was informed that his attendance would be on behalf of the Port and at the direction of his leadership because the FBI could not direct or ask him to attend this meeting. stated that he understood this and his attendance would be on behalf of the Port.

(U/FOUO) was advised that it would be a good idea to reach out to the Anchorage Police Department (APD) and make them aware of his concerns. was informed that he may also want to request the presence of an APD officer during the event to help deter any potential issues. was made aware and understood that due to the first amendment rights the FBI could not make an attempt to identify who made the initial Facebook posting organizing the Occupy the Port movement. was informed that if any specific threats were made, he should definitely notify the FBI because this would go beyond someone exercising their rights of freedom of speech.

(U/FOUO) SA told that he would notify the JTTF of the movement for their situational awareness and he would provide with a point of contact at APD who may better be able to assist with any civil disturbance concerns.

Title: DOMESTIC TERRORISM MATTERS;

Synopsis: To report incident.  

Details: During the early morning hours of October 23, 2011 officers from the Portland Police Department responded to a "chemical bomb" call at Lincoln Park, 79 Pearl Street, Portland, ME which is home to the Occupy Maine movement. (Note: Occupy Maine is an off-shoot of the Occupy Wall Street movement started in September 2011). Several witnesses at the scene described this incident as leading up to the event; on 10/23/2011, approximately 2am a four door sedan was observed driving northbound on Pearl Street and sounding its horn excessively. A few minutes later the same vehicle was observed driving past the encampment with its passenger yelling "Get a job". A few individuals observed the vehicle drive by the encampment several more times. No one was able to observe the license plate.  

At approximately 4am, possibly the same vehicle was observed driving by the encampment, however, this time several individuals heard a can or bottle hit the ground in close proximity to where they were seated. It sounded like a shot gun going off. After the explosion a large amount of smoke was observed coming from the area. No individuals were harmed. The smoke had irritated the throats of a few individuals. The crime
scene was processed and the device found was determined to be a "chemical bomb", which refers to a homemade device contained in a plastic bottle holding Drano and tinfoil, pressure builds in the bottle which causes the bottle to explode.

To date, no suspects have been developed and no other incidents have been reported. This information is being provided for informational purposes.

SUMMARY

Synopsis of Complaint:
Alleged threats to upcoming protest (October 15, 2011).

SENSITIVE INVESTIGATIVE MATTER

A "Sensitive Investigative Matter" (SIM) relates to investigative activities where the nature of the person or group being assessed should be brought to the attention of FBI Headquarters and other DOJ officials. CDC review and SAC approval is required for all SIMs. Use the checkbox below to signify that this assessment is a SIM. Once the box is checked, follow the prompts on the form to provide additional details regarding the SIM.

☐ Sensitive Investigative Matter

Details of the Complaint:
Complainant is planning a peaceful protest with a group of people with similar issues of the Occupy Wall Street protests. One of the members of the group found a website (www.ar15.com/forums/t_8_10/465172_hippies_want_to_occupy_daytona_beach.html) that they find threatening to their protest. Complainant is concerned for the safety of the protesters. The group plans on holding the peaceful protest on October 15th, 2011 in Daytona Beach but is not sure of the exact location.

Complainant is concerned about reporting the matter to the local police as well due to their reputation. Complainant does not want them to interfere with the protest.

Title: DOMAIN PROGRAM MANAGEMENT
DOMESTIC TERRORISM

Synopsis: To document a briefing provided to Jacksonville Executive Management (EM) on 11 October 2011 regarding the spread of Occupy Wall Street.

Details: This electronic communication (EC) documents a briefing regarding the spread of the Occupy Wall Street Movement. On 10 October 2011, writer provided an email via UNET identifying past and upcoming meetings in the Jacksonville Area of Responsibility regarding the emergence of Occupy chapters in and around the North Florida area to the Counterterrorism Program Coordinator. Writer recommended SSA consider establishing tripwires with the Occupy event coordinators regarding their observance of actions or comments indicating violent tendencies by attendees.

During the 11 October 2011 intelligence meeting, writer advised EM of the Occupy venues and further advised they may provide an outlet for a lone offender exploiting the movement for reasons associated with general government dissatisfaction. Particularly, in the Daytona, Gainesville, and Ocala Resident Agency territories as portions of these territories were considered Central Florida where some of the highest unemployment rates in Florida continue to exist. Writer also informed EM this movement was spreading throughout Florida and there were several Facebook pages dedicated to specific chapters based on geographical areas.

On 13 October 2011, writer sent via email an excerpt from the daily regarding FBI Houston's to all IAs, SSRAs and SSA This identified the exploitation
of the Occupy Movement by interested in developing a long-term plan to kill local Occupy leaders via sniper fire.

Title: INTELLIGENCE BRIEFINGS OR LIAISON SQUAD I-1 MASS TRANSPORTATION (SURFACE)

Synopsis: To document liaison contact and claim statistical accomplishment.

Details: On 10-19-2011, SA met with Los Angeles County Sheriffs (LASD) Lieutenant his part of the LASD Transit Security Bureau (TSB.) office is located in the Metropolitan Transit Authority (MTA) headquarters, One Gateway Plaza, Los Angeles, CA 90012.

stated transit related crime in Los Angeles County has gone up recently. Most of the crime involves minor theft and vandalism, but the number of robberies, assaults and other violent crimes have also risen.

blames the rising crime rate on mostly economic factors. In tough economic times, many shelters and care facilities for mentally ill individuals and drug users either close or have to turn people away. The aforementioned people account for a large percentage of the transit crime in the County of Los Angeles.

also mentioned the number of assaults on Transit Security Bureau Deputies has gone up to around five or six a month. According to the reasons for this are the above mentioned factors and the recent news stories regarding the
mistreatment of inmates in the LASD jails. [Redacted] stated many individuals stopped by Deputies are "verbally abusive" often screaming at Deputies about "beatings" in the jails. This type of behavior from an uncooperative (and possibly unstable) individual can often lead to a use of force.

On 10-19-2011 a peaceful protest by the "Occupy Wall Street" movement occurred on a Blue Line train. [Redacted] stated the protesters had all purchased tickets and were all cooperative. [Redacted] is concerned however about what may happen if the "Occupy Wall Street" protesters mix with the more violent individuals upset about the alleged mistreatment of prisoners in the LASD jails.

The aforementioned information was submitted to [Redacted] on 10-20-2011.

Title: RELATIONS WITH THE DES MOINES POLICE DEPARTMENT (DMPD)

Synopsis: To document liaison meeting at the DMPD on instant date.

Details: Because of information received by the DMPD that there may potentially be an attempt to stop the Iowa Caucuses by people involved in Occupy Iowa, which may involve criminal activity, the DMPD called a meeting to which they invited various Federal, State and local police agencies to attend. The meeting was chaired by Sergeant DMPD.

Sgt. emphasized the need to respect protesters' first amendment rights. He distributed a Department of Homeland Security publication, entitled, "Law Enforcement Guidelines for First Amendment-Protected Events," which is hereafter attached. Sgt. stressed that if local agencies learned that protesters would be demonstrating in their respective towns, that the DMPD's experience had been that it was helpful to ensure that the protesters had a designated area where they could protest and that they supply enough officers on the scene to ensure the protesters' safety. Sgt advised that any intelligence received regarding criminal behavior that could be a threat to public safety should be reported to the Iowa Fusion Center.

The writer and SA were present to ensure that no Federal nexus existed. As none was articulated, SSRA and SA did not offer any commentary.

the Federal Reserve Law Enforcement unit, to pass on information
regarding the movement known as occupy Wall Street. This movement
has been known to be peaceful but demonstrations across the
United States show that other groups have joined in such as Day
Of Rage and the October 2011 Movement.

Contact with _______ continued on October 05, 07, 14,
and 15 to pass on updates of the events and decisions made during
the small rallies and the following information received from the
Capital Police Intelligence Unit through JTTF, TFO_______

The October 2011 Movement is planning an occupation and nonviolent
resistance actions in Washington, DC starting on October 6, 2011.
This date marks the 10-year anniversary of the U.S. war in
Afghanistan and the first week of the new federal budget which
provides unlimited funding for war, tax breaks for the wealthy
and austerity for human services.

Thousands of people have pledged to gather in Freedom Plaza
beginning on that day to non violently disrupt the disloyal,
incompetent, and corrupt special interests which have usurped our
nation's civil and military power, spawning a host of threats to
our liberty, lives and national security.

Re: (U)  10/21/2011

The October2011 Movement protests corporatism and militarism because they prevent solutions to our current crises which would create a more peaceful, just, and sustainable world from being implemented. Instead concentrated corporate interests rule our elections and political process so that wealth continues to be funneled to the top 1%.

US Day of Rage is calling for free and fair elections, not elections manipulated by the economic elite, special interests, or corporate media, where choices are limited to bought candidates and two corrupt parties. US Day of Rage is organizing with OccupyWallStreet to create a tent city in the financial district of New York beginning on September 17. October2011 and OccupyWallStreet have endorsed each others' actions.

Legitimate government is born of the people expressed by its citizens in free and fair elections. It does not spring from a tyranny of special interests, crony capitalism, or a system or ideology that runs counter to the aims of life.

Free and fair elections inspire good citizenship and public service, because they engage the intelligence and genuine good will of the American people. They produce the kind of stewardship our nation desperately needs, because they ensure that citizens can influence their destiny, and make genuine contributions to society unlike our present system where the government moves in directions the majority of Americans oppose putting the profits of campaign donors ahead of the wishes of the American people.

Free and fair elections are steps towards re-mediating the myriad ills and abuses of a corrupt and illegitimate government, which preys on the resources and spirits of citizens, and violates rights of the other peoples and nations.

The October2011 Movement and US Day of Rage know that abuses of the people and planet will end when we take unified and persistent action. We stand in solidarity with each other and with the growing nonviolent movements around the nation and world to call for democratization of our society.

They are also trying to mobilize at every Federal institution in each State. At this moment the group seems very minimal for Virginia, and my friends in Florida.

Contact continued until after the set date of 10/15/11. Occupy Richmond is still camped peacefully at Kanawa Plaza, across from the Federal Reserve.

(U//FOUO) Occupy Richmond: Potential for Cyber Criminal Activity Surrounding 15 October 2011 Rally

(U) FBI Richmond is releasing this Situational Information Report to raise law enforcement and public safety officials’ awareness of possible cyber criminal activity surrounding the ‘Occupy Richmond’ demonstration to be held on 15 October 2011 in and around Kanawha Plaza (located at the intersection of S. 8th St. & E. Cary St.), Richmond, Virginia.

(U) Open sources report that Occupy Richmond is a grass-roots movement that is a spin-off from the ‘Occupy Wall Street’ protests that began in New York City last month. As of 12 October 2011, the Occupy Richmond Facebook group had over 4,500 ‘likes’ and the Occupy Richmond Twitter feed had over 1,500 followers. The wider Occupy Wall Street or ‘Occupy Together’ protests are somewhat disorganized and primarily composed of college students. Rallies and protests have been held across the nation. Within Virginia, open sources indicate associated groups of varying levels of organization exist in Charlottesville, Staunton, Fredericksburg, Roanoke, Norfolk, and the northern Virginia area.

(U//FOUO) On 23 August 2011, the hacktivist collective group ‘Anonymous’ released a video pledging support for the Occupy Wall Street protests and encouraged members to participate. In the past, Anonymous has planned cyber intrusion activities or distributed denial of service (DDoS) attacks to coincide with other physical protests. This could indicate an intention to

conduct cyber attacks in conjunction with the various Occupy Wall Street protests, to include the Occupy Richmond protest. According to open source reporting, Anonymous planned to release a new DDoS tool to the public called RefRef in September 2011. Anonymous successfully tested this tool by performing attacks on WikiLeaks, Pastebin, and 4chan.org. Since the current protests are focused on the financial sector, if a cyber attack were to occur, financial institutions could be targeted.³

(U) The city of Richmond has a historically strong finance and insurance sector with a multitude of brokerage firms, investment banking firms, and venture and equity firms located in the area. The city of Richmond is home to the main corporate offices of six Fortune 500 companies and 14 Fortune 1000 companies. Additionally, many banks and Fortune 500 companies have a large presence in the wider Richmond area. These entities could be considered high value targets for financial, cyber related attacks.

(U) According to reporting, there are no known planned acts of violence for the 15 October 2011 rally in Richmond, Virginia. Although the Occupy Wall Street protests are largely peaceful, there have been reports of violence and arrests in various rallies across the nation. On 2 October 2011, more than 700 Occupy Wall Street protestors were arrested during a march on the Brooklyn Bridge.⁴ On 11 October 2011, approximately 100 Occupy Boston protestors were arrested for moving into an area outside the designated space.⁵

(U) This information is being provided for situational awareness. It is requested that any positive intelligence related to similar or emerging trends, tactics or schemes occurring in Virginia be forwarded to FBI Richmond and the Virginia Fusion Center (VFC).

(U) This report has been prepared by the Richmond Division of the FBI. Comments and queries may be addressed to the Richmond Field Intelligence Group at 804-261-1044.

Synopsis: Document statistical accomplishment

Details: On October 28, 2011, Attorney General Eric Holder was in the Tampa Division to visit the US Attorney's Office, Middle District of Florida, and attend a press conference with the Drug Enforcement Agency, in honor of their Operation Pill Nation takedown. In preparation of the AG's visit, SOS along with assistance from IA prepared a threat assessment.

The visit coincided with several protests that were taking place due to the Occupy Tampa movement. Though there was the possibility of having protestors at the events featuring the Attorney General, the threat to the Attorney General was low. The threat assessment and accompanying EC were uploaded to ____________________________.

On January 17, 2012 at approximately 0945hrs, Special Agents responded to the White House. Navy personnel for a reported device that was thrown over the White House fence. The Occupy DC protesters were in the area protesting next to the fence, when someone in the group threw a device that was smoking. United States Secret Service (USSS), Metropolitan Police Department (MPD), and DC Fire Department (DFFD) were all on scene.

EOD and Hazmat technicians retrieved the item which was examined to be a road flare. There were also two (2) bottles lying next to the fence that were left unattended. DFFD Hazmat cleared the bottles and found water and other neutralizing substances in the bottles. No other hazards or devices were located. USSS was continuing the investigation. No FBI resources were needed on scene.
